Perfection by Allan Block®

The AB Abbey Blend pattern is a perfect combination of style and substance. The interplay of colors, forms and lines create a landscape masterpiece every time.

The AB Abbey Blend; a perfect blend of shape and proportion.

The Best Block by Allan Block®

The **hollow core** makes it easy to handle, promotes built-in drainage and becomes rock solid when filled. The patented interlocking raised **front lip** creates a built-in setback and eliminates the need for pins, clips or mortar.

The distinguished appeal of natural hand laid stone.

Create a delightful aged look while maintaining symmetry with the AB Abbey Blend patterns.
