

AQUASURGE® POND PUMPS

AquaSurge® Pond Pumps combine energy-efficient performance, high flow rates, and ease of maintenance, making this pump the perfect choice for pond owners. AquaSurge pumps are ideal for use in pond skimmers and Pondless® Waterfall Vaults. The asynchronous motor technology provides high torque, and trouble-free performance, while the oil-free design prevents pond contamination. Made for continuous use, AquaSurge Pond Pumps will not corrode or rust and can be used vertically or horizontally.
