DIRECTIONS FOR USE

This product is a turf fertilizer suitable for use in any given application depending upon existing soil chemistry, turf type, and intended use of the turf area. The best results with the product are obtained when it is applied to actively growing grass and watered into the turf soon after application. Avoid mowing immediately following application. Application with rotary or drop spreaders is recommended for uniform distribution. Consult your spreader manual or spreader manufacturer to determine spreader setting to achieve application rates desired. You may need to adjust the setting depending on the walking speed, spreader condition, and product.

COVERAGE: 50 LBS OF 10-10-5 fertilizer covers approximately 10,000 sq. ft. based upon one (1) lb of N per 1,000 sq. ft.

KEEP OUT OF REACH OF CHILDREN

WARNING

Precautionary Statements

Causes moderate eye irritation. Harmful if inhaled. Avoid breathing dust. Avoid contact with skin, eyes, or clothing. Harmful if swallowed. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.
