

## Firestone PondGard™ 45 Mil EPDM Rubber Liner

EPDM liners are the preferred choice for landscapers, nurseries and water garden installers because they are extremely flexible and very puncture resistant

- Fish friendly EPDM liners have been tested and have proven to be safe with fish and plants
- Highly flexible EPDM liners remain flexible in extreme temperatures, from -40° to + 175°F
- Weather resistant EPDM liners are UV resistant and will not crack with age
- Manufacturer may vary depending on size of liner
- Limited lifetime warranty!

### Cut Liner

- Standard width cut to your desired length
- Multiply length x width x cost per square foot to determine liner cost
