

PRODUCT SPECIFICATIONS

GreenChoice Premium Cellulose Hydraulic Mulch 50 lb bag – with or without tackifier

Features:

- Mixes easily in all hydroseeders
- Low moisture bale
- Low density, breaks up easily
- Heavy duty bags
- Made from 100% biodegradable post-consumer newsprint
- No weed seed

Manufactured by Phoenix Paper Products in Lostant, IL. Green Choice Premium Cellulose Hydraulic Mulch mixes easily in any size hydroseeding tank due to the low bale density and the addition of premium surfactants and de-foamers.

Using state of the art technology, Green Choice Premium Hydraulic Mulch is the cleanest product available, which means less down time and less wear and tear on hydroseeding equipment.
