

**VENETIAN® 6X6|9 60MM**

PRODUCT NUMBER # 267

- Riven stone surfaces and chamferless edges create the striking shadowlines and textures of dimensioned flagstone
- Designed to be installed in a Muster-K (a.k.a. T or I) pattern having two Recs for each Square
- Made of durable concrete with iron oxide pigments which helps prevent fading from extended UV exposure.
- Light vehicular applications

The Venetian series creates dramatic and dynamic interaction with sunlight through its cleft and chamferless surfaces, which evoke the timeless appeal of cut flagstone. Venetian is available in an extensive range of paver sizes and heights to suit a variety of traffic conditions and base preparations. Many Venetian shapes are suitable for Rumbling, which weathers the paver stones by breaking and softening edges and corners.
