

LESCO®

Vacate

Tank Cleaner

Ideal for Reducing Residue Buildup In Spray Tanks

- Reduces Carryover of Actives That Can Injure Sensitive Turf and Ornamentals
- Cleans Pesticides and Other Residues Out of Mix Tanks and Spray Equipment
- Helps to Protect Spraying Systems From Corrosive Residues

PRINCIPAL FUNCTIONING AGENTS:

A proprietary blend of surfactants and sequestering agents 100%

All ingredients are exempt from tolerance under 40 CFR 180.

DANGER. KEEP OUT OF REACH OF CHILDREN. See additional precautionary statements and directions for use on back of container. Read the entire label carefully before using this product.

PRECAUTIONARY STATEMENTS

Causes severe skin burns and eye damage. May cause respiratory irritation. Keep out of reach of children. Read label before use. Keep container tightly closed. Keep only in original container. Do not breathe vapors or spray. Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves, protective clothing, eye protection or face protection.

FIRST AID

Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do then continue rinsing. If eye irritation persists: Get medical advice or attention. **IF ON SKIN (hair) OR CLOTHING:** Remove immediately all contaminated clothing. Rinse skin with water/shower. If skin irritation occurs: Get medical advice or attention. **IF SWALLOWED:** Rinse mouth. DO NOT INDUCE VOMITING. Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. Do not give anything by mouth to an unconscious person. **IF INHALED:** If breathing is difficult, remove person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

GENERAL INFORMATION

LESCO® Vacate is a high pH tank and equipment cleaner that penetrates and solubilizes residue for removal with the rinsate from sprayer tank walls, hoses, screens and nozzles.

Recommended for equipment used to apply active ingredients registered for agricultural, aquatic, IVM, and turf applications.

DIRECTIONS FOR USE

Follow the manufacturer's warranty requirements for cleaning and maintaining spray application equipment.

Refer to the active ingredient label for specific equipment preparation and cleaning recommendations.

Rinsate should be collected and contained according to all local, state and federal regulations.

Large Volume Sprayers: LESCO Vacate is effective at dilution rates up to 1:400. One quart of LESCO Vacate will treat up to 100 gallons of water.

Adjust the dilution rate as needed for individual conditions. Each cleaning situation will vary and adjustments may be necessary.

Circulate LESCO Vacate treated solution through the spray system for 15-20 minutes. Use a high pressure sprayer or hose, to rinse all interior areas and spray tank walls. Purge hoses, spray lines, and nozzles. After cleaning, drain system and triple rinse all tank and spray areas.

Hand-Held and Back-Pack Sprayers: Use approximately one ounce of LESCO Vacate per gallon of water, agitate thoroughly, purge spray wand and nozzle, drain and follow with triple rinse.

SPECIAL PRECAUTION/RINSEATE TESTING: The use of LESCO Vacate or other tank cleaners does not guarantee removal of all residues. Some pesticides can be slow to release from equipment surfaces, and soaking for 12-24 hours may be necessary. Many variables exist which make consistent equipment cleaning difficult (i.e., water quality, use of cleaning equipment, quantity and type of residue, age and condition of spray tank, spray lines, nozzles etc.).

EFFECTIVE EQUIPMENT CLEANOUT IS THE RESPONSIBILITY OF THE APPLICATOR.

In order to ensure that all residues have been removed, apply a sample of the rinse water to sensitive plants (tomato, cotton, ornamentals, etc.) and after sufficient time, observe for wilting or severe stress. If stress occurs, repeat cleaning process and retest as above.

STORAGE AND DISPOSAL

Storage: Store locked up. Store in a cool well-ventilated place. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. **STORE BETWEEN 40° AND 90° F.**

Disposal: Do not contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all local, regional, national and international regulations. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations.

CONDITION OF SALE AND LIMITATION OF WARRANTY AND LIABILITY NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of this product must be followed carefully and completely. It is impossible to eliminate all risks inherently associated with the use of this product. To the extent consistent with applicable law, Buyer and/or User assume all risks of ineffectiveness or other unintended consequences or damages that may result from conditions outside or beyond the control of LESCO, Inc. including but not limited to, such factors as manner of use or application, weather or weather conditions outside the range considered normal at the application site or for the time period in which the product is applied, the presence of other materials, incompatible products, or other influencing factors which are beyond the control of LESCO, Inc. To the extent consistent with applicable law, all such risks shall be assumed by Buyer and/or User, and Buyer and/or User agrees to hold LESCO, Inc. harmless for any claims relating to such factors.

LESCO, Inc. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, subject to the inherent risks referred to above, when used in accordance with the Directions for Use under normal use conditions. To the extent consistent with applicable law, this warranty does not extend to the use of this product contrary to label instructions, or under abnormal conditions or under conditions not reasonably foreseeable to or beyond the control of LESCO, Inc. and Buyer and/or User assume the risk of any such use. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, LESCO, INC. MAKES NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.

TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, THE EXCLUSIVE REMEDY OF THE BUYER AND/OR USER AND THE EXCLUSIVE LIABILITY OF LESCO, INC. FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT OR, AT THE ELECTION OF LESCO, INC. REPLACEMENT OF THE PRODUCT, OR IF NOT ACQUIRED BY PURCHASE, REPLACEMENT OF SUCH QUANTITY. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, IN NO EVENT SHALL LESCO, INC. BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES.

LESCO, Inc. offers this product, and Buyer and/or User accepts it, subject to the foregoing Conditions of Sale and Limitation of Warranty and Liability, which may not be modified except by written agreement signed by a duly authorized representative of LESCO, Inc.
