

Chelated Iron Plus

for Turf and Ornamentals
Reduced-Staining Formula

4-0-5

GUARANTEED ANALYSIS

TOTAL NITROGEN (N)..... 4.00%
2.6% Ammonical Nitrogen
1.4% Urea Nitrogen

SOLUBLE POTASH (K₂O)..... 5.00%
IRON (Fe) TOTAL..... 6.00%
6.00% Chelated Iron (Fe)

DERIVED FROM: Ammonium Hydroxide, Iron Citrate,
Potassium Hydroxide and Urea.

Also contains non-plant food ingredient:
Kelp Extract (*Ascophyllum nodosum*).

According to state law in Maryland and Virginia, this product may not be applied at an application rate of more than 0.7 lbs. Nitrogen per 1,000 sq. ft.

DO NOT APPLY NEAR WATER, STORM DRAINS, OR DRAIN-
AGE DITCHES. DO NOT APPLY IF HEAVY RAIN IS EXPECTED.
APPLY THIS PRODUCT ONLY TO YOUR LAWN/GARDEN.

READ LABEL CAREFULLY

KEEP OUT OF REACH OF CHILDREN CAUTION

PRECAUTIONARY STATEMENTS:

Wash hands thoroughly after handling
Avoid release to the environment
Wear protective gloves/protective clothing/eye protection/face protection
IF ON SKIN: Wash with plenty of soap and water
If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing
Specific treatment: See first aid on this label
If skin irritation occurs: Get medical advice/attention
If eye irritation persists: Get medical advice/attention
Take off contaminated clothing and wash

FIRST AID: In case of contact with eyes, immediately flush eyes with water for at least 15 minutes. Seek immediate medical attention if irritation occurs. In case of skin contact, flush skin with water. If irritation occurs, seek immediate medical attention. Remove and wash contaminated clothing before reuse. If swallowed, give large amounts of water and induce vomiting by touching back of throat with finger unless unconscious. Seek immediate medical attention.

HANDLING AND STORAGE: Minimize skin exposure. Store mini-bulks and smaller containers out of the sun in an area of moderate temperature. Do not re-use containers. Avoid containers, piping or fittings made of copper containing alloys or galvanized metal. Dispose of containers in accordance with local regulations and requirements.

IN CASE OF SPILL: Contain spill and maximize recovery. Keep spill out of water sources. Exercise caution in area of spill for slippery conditions. Dispose of spilled material in accordance with regulatory requirements.

APPLICATION GUIDELINES

LESCO Chelated Iron Plus is compatible with many pesticide and fertilizer formulations. However, when working with new or familiar products, it is suggested that a small quantity be jar mixed to check for incompatibilities prior to tank mixing.

Mixing Instructions: Add one-quarter of tank volume with water. Add **LESCO Chelated Iron Plus**. Agitate tank contents while adding remaining water, urea or other fertilizers. Add herbicide/pesticide last while continuing to agitate contents of tank. Spray tank mixes as soon as possible. Always agitate contents well, prior to spraying, especially of contents have been standing for more than 24 hours. Do not pre-mix.

Low moisture conditions may limit nutrient uptake so a minimum dilution of 1:100 in water is necessary. Maximum dilution should not exceed 1:500. Shake or agitate before adding to tank mix. See compatibility section for details & problems on mixing and applying. Do not pre-mix **LESCO Chelated Iron Plus** with herbicides/pesticides prior to adding spray tank.

COMPATIBILITY

LESCO Chelated Iron Plus is a tank mix compatible with most soluble fertilizers, herbicides, insecticides, and fungicides. However, test any alkaline materials (ph 10 or greater) before tank mixing. Mixing with other chemicals may cause staining, so it may be necessary to test the final tank mix on a small concrete area.

This product exhibits reduced staining characteristics only when used as recommended.

DIRECTIONS FOR USE AGITATE BEFORE USE

Apply only as directed. **LESCO Chelated Iron Plus** is formulated for soil or foliar application. It is designed to supplement all fertilizer programs with an effective iron treatment for better color. Use **LESCO Chelated Iron Plus** in conjunction with the recommendations of your approved nutrient management plan.

Turf:

Lawns, Parks, Sports Fields, Golf

1½ - 2 fl. oz per 1,000 sq. ft. (1/2 - 2/3 gallon per acre).

Apply every 4 weeks or as needed. 15 gallon container treats up to 30 acres at 1½ oz. per 1,000 sq. ft.

Trees and Shrubs

Injection Root Feeding

1 gallon to 100 gallons of water. Apply in spring or fall.

Maintenance:

Foliar Spray

32 fl. oz. per 100 gallons water. Apply in spring, summer and fall.

Container Disposal: Dispose of container according to Federal EPA procedures as outlined in the Resource Conservation and Recovery Act (RCRA) and follow state and local guidelines. Triple rinse and puncture as required.

PRECAUTIONARY STATEMENTS

May cause temporary skin or eye irritation. In case of accidental eye contact, flush eyes with water. If irritation persists, obtain medical attention. Wash exposed skin areas with soap and water.

CONDITION OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of this product must be followed carefully and completely. It is impossible to eliminate all risks inherently associated with the use of this product. To the extent consistent with applicable law, Buyer and/or User assume all risks of ineffectiveness or other unintended consequences or damages that may result from conditions outside or beyond the control of LESCO, Inc. including but not limited to, such factors as manner of use or application, weather or weather conditions outside the range considered normal at the application site or for the time period in which the product is applied, the presence of other materials, incompatible products, or other influencing factors which are beyond the control of LESCO, Inc.. To the extent consistent with applicable law, all such risks shall be assumed by Buyer and/or User, and Buyer and/or User agrees to hold LESCO, Inc. harmless for any claims relating to such factors.

LESCO, Inc. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, subject to the inherent risks referred to above, when used in accordance with the Directions for Use under normal use conditions. To the extent consistent with applicable law, this warranty does not extend to the use of this product contrary to label instructions, or under abnormal conditions or under conditions not reasonably foreseeable to or beyond the control of LESCO, Inc. and Buyer and/or User assume the risk of any such use. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, LESCO, INC. MAKES NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.

TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, THE EXCLUSIVE REMEDY OF THE BUYER AND/OR USER AND THE EXCLUSIVE LIABILITY OF LESCO, INC. FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT OR, AT THE ELECTION OF LESCO, INC. REPLACEMENT OF THE PRODUCT, OR IF NOT ACQUIRED BY PURCHASE, REPLACEMENT OF SUCH QUANTITY. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, IN NO EVENT SHALL LESCO, INC., BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES.

LESCO, Inc. offers this product, and Buyer and/or User accepts it, subject to the foregoing Conditions of Sale and Limitation of Warranty and Liability, which may not be modified except by written agreement signed by a duly authorized representative of LESCO, Inc.
