

LESCO®

Conform

pH Adjuster

Water Conditioning Agent

- Improves Spreading and Wetting Across the Target and Penetration through Hard to Wet Surfaces
- Increases the Solubility of Pesticides that Recommend a pH Range of 5 to 6

PRINCIPAL FUNCTIONING AGENTS:

Alkyl Polyethoxy Ether	20%
2-hydroxy-1,2,3-propanetricarboxylic Acid	19%
Constituents Ineffective as an Adjuvant	61%
Total	100%

All ingredients are exempt from tolerance under 40 CFR 180.

2019.2972

WARNING. KEEP OUT OF REACH OF CHILDREN. See additional precautionary statements and directions for use on back of container. Read the entire label carefully before using this product.

Net Contents: 1 gal. (3.8 L)

#400515

PRECAUTIONARY STATEMENT

Causes skin irritation. Causes serious eye irritation. Read label before use. Keep container tightly closed. Keep only in original container. Avoid breathing mist, vapors or spray. Wash thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves, protective clothing, and eye protection.

FIRST AID

Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present, after the first 5 minutes, then continue cautiously rinsing eye. If eye irritation persists, seek medical attention. **IF ON SKIN OR CLOTHING:** Take off contaminated clothing and wash before reuse. Wash skin with plenty of soap and water for several minutes. If skin irritation persists, seek medical attention. **IF SWALLOWED:** Unless advised otherwise by a poison control center or doctor, have person rinse mouth with water, if able. **DO NOT INDUCE VOMITING. IF INHALED:** If breathing is difficult, remove person to fresh air and keep at rest in a position comfortable for breathing.

GENERAL INFORMATION

Conform is a buffering agent and nonionic surfactant (NIS) that improves pesticide performance by ensuring uniform coverage on the canopy and modifying the pH of the tank mix water.

Conform increases the solubility of pesticides whose labels recommend tank mix water in a pH range of approximately 5 to 6.

Conform helps to limit the development of alkaline hydrolysis by holding the pH of the tank mix steady over time.

Conform is formulated with an efficient nonionic surfactant (NIS) to improve spreading and wetting against the target and penetration through waxy, hard-to-wet surfaces.

A defoamer is included for easier mixing.

DIRECTIONS FOR USE

Follow the recommendations of the most restrictive active ingredient label.

Tank mixtures should only be applied within the label recommendations of every product in the tank mixture.

Use only if a pH modifier, buffering agent and nonionic surfactant are allowed or not excluded on the label.

Conform DOES NOT CONTAIN AMMONIUM SULFATE (AMS).

If the user does not have experience with the mixture being applied, perform a jar test using the order and amounts in the mixture and perform a phytotoxicity test to ensure crop safety.

MIXING INSTRUCTIONS

STRONGLY RECOMMENDED: A pH TEST TO DETERMINE THE INITIAL pH OF THE MIXING WATER OR THE ACTIVE INGREDIENT TANK MIX.

Order of Addition:

Prior to mixing, fill the spray tank with approximately 50% of the carrier.

1. Add Conform and agitate to solubilize the mixture.
2. Add the pesticide(s) to the partially filled tank first.
3. Add remaining water and any other tank mix components.
4. Continue to agitate thoroughly.

Check to make sure that all valves and gauges work and that there is adequate tank agitation.

USE RATE: After reviewing the active ingredient label instructions and the initial pH of the tank mix water, add Conform:

Starting pH ~7	
To reduce pH to ~6.5	8 oz. per 100 gal.
To reduce pH to > 6	16 oz. per 100 gal.

More Conform may be added if needed to meet the pH recommendation of the active ingredient label.

STORAGE AND DISPOSAL

Storage: Store in a cool well-ventilated place. Keep in original container tightly closed. Do not reuse empty container. Do not store with food, feed, or other material to be used or consumed by humans or animals. Do not contaminate water supplies. **STORE BETWEEN 40° AND 90° F.**

Disposal: Do not contaminate water, food or feed by storage or disposal. Dispose of contents in container to an approved waste disposal facility in accordance with all local, regional, national and international regulation. Triple rinse (or equivalent) adding rinse water to application tank. Offer container for recycling or dispose of in a sanitary landfill or by other procedures approved by local regulations.

CONDITION OF SALE AND LIMITATION OF WARRANTY AND LIABILITY NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of this product must be followed carefully and completely. It is impossible to eliminate all risks inherently associated with the use of this product. To the extent consistent with applicable law, Buyer and/or User assume all risks of ineffectiveness or other unintended consequences or damages that may result from conditions outside or beyond the control of LESCO®, Inc. including but not limited to, such factors as manner of use or application, weather or weather conditions outside the range considered normal at the application site or for the time period in which the product is applied, the presence of other materials, incompatible products, or other influencing factors which are beyond the control of LESCO, Inc. To the extent consistent with applicable law, all such risks shall be assumed by Buyer and/or User, and Buyer and/or User agrees to hold LESCO, Inc. harmless for any claims relating to such factors.

LESCO, Inc. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, subject to the inherent risks referred to above, when used in accordance with the Directions for Use under normal use conditions. To the extent consistent with applicable law, this warranty does not extend to the use of this product contrary to label instructions, or under abnormal conditions or under conditions not reasonably foreseeable to or beyond the control of LESCO, Inc. and Buyer and/or User assume the risk of any such use. **TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, LESCO, INC. MAKES NO WARRANTIES OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.**

TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, THE EXCLUSIVE REMEDY OF THE BUYER AND/OR USER AND THE EXCLUSIVE LIABILITY OF LESCO, INC. FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT OR, AT THE ELECTION OF LESCO, INC. REPLACEMENT OF THE PRODUCT, OR IF NOT ACQUIRED BY PURCHASE, REPLACEMENT OF SUCH QUANTITY, TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, IN NO EVENT SHALL LESCO, INC., BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES.

LESCO, Inc. offers this product, and Buyer and/or User accepts it, subject to the foregoing Conditions of Sale and Limitation of Warranty and Liability, which may not be modified except by written agreement signed by a duly authorized representative of LESCO, Inc.
