TOURNAMENT TURF MARKING PAINT

SOTW | SOTR | SOTFP | SOTFO
SOTY | SOTB | SOTDG

PRODUCT OVERVIEW

This outstanding product is the brightest, most durable field-marking paint in its class. With low VOCs and high UV resistance, it will not harm, kill or brown any type of natural grass. The inverted tip is designed to make clean and narrow marking lines.

FEATURES & BENEFITS

- New additional colors (fluorescent orange and pink)
- 10% more per can – 18 oz. cans
- Non-clogging, fast-drying, low VOC cans that fully empty
- Specifically formulated to be safe for the environment and the user
- Use as: utility marking, golf course, landscape and residential
- Made in the USA

DIRECTIONS FOR USE:

1. Can temperature must be between 55-85°F.
2. Note: high solids. Shake the can vigorously for a full 30 seconds AFTER you hear the ball start to rattle.
3. Activate spraying by pressing trigger.
4. Partial cans can be saved for later use. Before saving can, clean spray tip by holding can upright and pointing it away from your face and body. Depress tip to one side for a few seconds until propellant is sprayed and tip is cleared of residue.
5. Before reusing any saved aerosol cans, make sure to shake can until ball rattles for at least 30 seconds.

PACKAGING INFORMATION

18 oz. Cans
12 Cans Per Case
