

PRO-AER 36 RIDE-ON AERATOR W/ SEEDBOX

EQUIPMENT | 90-0404-L-1

The LESCO PRO-Aer 36 with Seedbox is a rugged stand-on combination aerator/seeder that will save you time, increase efficiency on the jobsite, and reduce maintenance costs.

FEATURES AND BENEFITS

- 30% more productivity per hour than the 30" LESCO Pro-Aer 30 model
- 110 lbs Servo Controlled Seedbox allows you to aerate and seed in 1 pass, eliminating the need for post-aeration seed application.
- Chain-free design eliminates the cost and hassle of breakdowns.
- Powerful low-profile Vanguard V-Twin engine supported by a 3 year commercial limited warranty means years of minimal maintenance and plenty of power when you need it
