

LESCO®

NOBLE EAGLE BLEND

TURF-TYPE PERENNIAL RYEGRASS: BLUE-TAG CERTIFIED

Highest Germination Rate | Advanced Testing | Unparalleled Standards

FEATURES

- Quick establishment
- Dense growth habit
- Dark green color
- Fine texture
- Varieties thrive in cool season climate
- Gray Leaf Spot resistance
- Excellent traffic tolerance

AGRONOMIC CHARACTERISTICS

Noble Eagle blend contains three advanced generation cultivars of turf-type perennial ryegrass. The varieties used in Noble Eagle Blend have all undergone university trials and have shown high turf quality, dark green color, traffic tolerance and resistance to Gray Leaf Spot. The endophyte levels in these varieties make Noble Eagle Blend resistant to surface feeding insects.

SUGGESTED USAGE

Golf course tees, fairways and roughs, home lawns, athletic fields, commercial turf areas, parks and playgrounds.

TURF ESTABLISHMENT GUIDELINES

Adequate seed bed preparation is Important In new turf grass establishment as well as in overseeding applications. Check soil pH and apply LESCO starter fertilizer prior to seeding. Cool-season grasses germinate best in the 60° to 85° F (16° to 30° C) soil temperature range. Frequent light Irrigation and/or seed starter mulch is required for optimum germination. Germination should be visible within 14 days; complete turf establishment will take two to three months to exhibit mature growth characteristics.

RECOMMENDED MAINTENANCE PRACTICES

Highest quality and durability are reached using moderate maintenance levels. Allow turf to establish prior to heavy use. Mowing height at 1 1/2" to 2 1/2" is recommended (lower mowing heights require higher maintenance).

ENVIRONMENTAL TOLERANCE

Noble Eagle is best suited in cool humid and cool arid zones of the US.

INGREDIENTS

100% Perennial Ryegrass
(3 Blue Tag Certified Varieties)

SEEDING RATES

New Establishment:

4-6 lb./1000 sq. ft.

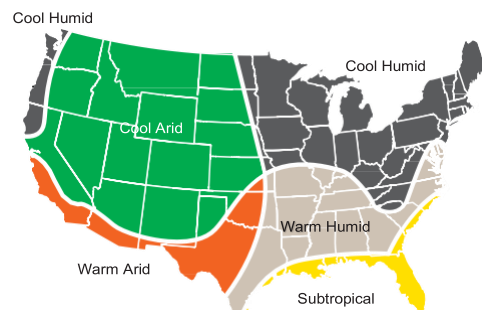

Renovation:

20-50% Existing Cover
3-5 lb./1000 sq. ft.

50-70% Existing Cover
2-4 lb./1000 sq. ft.

PACKAGING INFORMATION

50 lb. bag
#30-63-960
25 lb. bag
#30-63-963
Woven Polypropylene Bags
