

DOLOMETIC LIME

Pelletized Dolomitic Limestone

Coarse Granular - Fairway Grade

CHEMICAL ANALYSIS

Calcium Carbonate (C.C.E)	89.0%
Calcium (Ca)	18.5%
Calcium Carbonate (CaCO ₃)	47.0%
Magnesium (Mg)	9.0%
Magnesium Carbonate (MgCO ₃)	36.0%
Binder (Lignosulfonates) (Approx.)	2.0%
Moisture (Maximum)	1.0%

PARTICLE SIZE

PRIOR TO PELLETIZING

98%	Passing	8	mesh sieve
97%	Passing	10	mesh sieve
90%	Passing	20	mesh sieve
85%	Passing	40	mesh sieve
80%	Passing	60	mesh sieve
50%	Passing	100	mesh sieve
40%	Passing	200	mesh sieve

PRODUCT FEATURES

Dolomitic Limestone is a fast-acting, effective, efficient product designed specifically to provide maximum acidity neutralization in a convenient pelletized formulation. Dolomitic Limestone is produced from high quality mined Dolomitic Limestone, Calcium and Magnesium Carbonate, finely ground to insure optimum availability, and blended with a special water-soluble organic binder. It is then manufactured into convenient pelletized formulations. Dolomitic Limestone is then dried to less than 1% moisture and screened into uniform sizing to allow for specific applications. Dolomitic Limestone is non-corrosive and safe for use around humans, animals and for the environment.

APPLICATION INSTRUCTIONS

Apply evenly to dry foliage. For best results apply product on a calm, dry day and water in for optimum effectiveness. When used on turf, mow turf a day or two before application. Avoid mowing immediately following application to prevent product pick-up. Always apply with a properly calibrated rotary or drop spreader. To avoid gaps and streaks, NEVER APPLY BY HAND! Always apply evenly over lawn.

APPLICATION TIPS

Always fill spreader on sidewalk or driveway to avoid spillage on lawn. To avoid staining, sweep or brush any particles off walks, driveways, concrete pool decks and other surfaces.

Avoid contact with clothing and shoes (wear old clothing when applying). After application, remove any particles from clothing and shoes. Avoid tracking product into the home.

FIRST AID

This product may be harmful if swallowed or may cause eye or skin irritation. If product comes into contact with eyes, wash eyes with water immediately after contact. Wash skin with soap and water after handling. Get medical attention if irritation persists. Keep out of open cuts and wounds.

CAUTION

KEEP OUT OF REACH OF CHILDREN.

STORAGE & CONTAINER DISPOSAL

Do not contaminate potable water, ponds, food or feed by storage or disposal. Store in original container only. Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

SUGGESTED SPREADER SETTING

(Pounds per 1000 Square Feet)

	10#	20#	40#
CENTRAL 50	6-1/2	8	10
CYCLONE	5	7	9*
EV-N-SPREAD	14-1/2	20	34
FRANKS	3	7-1/2	16-1/2
LESCO	J	N	S
SCOTTS SG 1	6	8-1/2	16
SCOTTS PPE/PF4 (DROP)	6-1/2	8	10
SEARS	3-1/2	4-1/2	8-1/2
SEARS (DROP)	5-1/2	7	10
SPYKER	4-1/2	5-1/2	8-1/2

*Requires 2 passes for recommended coverage

These settings are estimated. Actual settings depend on type, model & conditions of spreader.

IMPORTANT: READ BEFORE USE

Read the entire Directions for Use, the Warranty Disclaimer and Limitation of Liability before using this product. By using this product, user or buyer accepts the following Warranty Disclaimer and Limitation of Liability.

LIMIT OF WARRANTY

Mears Fertilizer, Inc. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose stated on such label only when used in accordance with the directions under normal use conditions. Except as specifically stated below, NO WARRANTIES, WHETHER EXPRESSED OR IMPLIED, ARE MADE WITH RESPECT TO THE PRODUCT OR ITS USE, AND NO AGENT OF THE MANUFACTURER OR OF THE SELLER IS AUTHORIZED TO DO SO.

Buyer and user of this product assume all responsibility for handling, storage and use not in accordance with directions. It is impossible to eliminate all risks inherently associated with the use of the product. Plant injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond manufacturer's and seller's control. In no case shall the manufacturer or seller be liable for consequential, special or indirect damages resulting from the use or handling of this product.

SGN RANGE - 200 To 230

Net Wt. 50 Lbs. (22.68 Kgs.)
