EFFECTIVE AGAINST

Stop Animal Damage!

This bottle will cover approximately 1,800 sq. ft.

This product is a highly effective solution for preventing leaping, bedding and entry damage as well as the prevention of deleterious and irritating issues caused by **most dog and cat breeds** when used according to the following directions: **1.** Shake container well before using. **2.** Apply product liberally to dens, entries, lawns and around plants that need protection. When using near edible crops, apply around plants or as a perimeter application, making sure not to treat edible plant material. **3.** Repeat application as needed, usually every 30 days.

NOTE: Due to possible allergic reaction to one or more of the ingredients used to make this product, do not apply to plants that are grown for human or animal consumption. When applying, ensure that the product does not contact food items. This product may be used on dormant fruit and nut trees. This product works by smell, taste and feel.
