RECOMMENDED EQUIPMENT
Belt-driven Topdresser

CarbonizPN can be hand applied, sand blended, or broadcast with a belt-driven topdresser.
Due to the product's consistency, walk-behind spreaders do not perform well and often clog so they are not recommended. For additional tips on successfully applying this product, please visit MirimichiGreen.com

CONDITIONS OF SALE, DISCLAIMER AND LIMITATION OF LIABILITY Seller only warrants that this material conforms to the description herein. Seller makes no other warranty, expressed or implied, or guarantee of fitness for a particular purpose or for the safety of any kind. The exclusive and only remedy of the user or buyer and the limit of liability of Mirimichi Green, LLC and Mirimichi Green Express, LLC, including, but not limited to: use, handling, application rates, and results (for which buyer assumes all risk), shall be a refund of the purchase price.
