NUTRI-KELP

1-1-4

2.5 gallon and 32 oz Concentrate

Mirimichi Green's Nutri-Kelp takes the benefits of kelp to the next level. Nutri-Kelp is made from Norwegian sea kelp, 100% cold processed to release and preserve kelp's beneficial constituents without harmful exposure to heat or chemical extraction. The quality of kelp varies with the seasons and its maturity at the time of harvest so Mirimichi takes these factors into account and supplements kelp compounds to ensure a consistent, high performing product year round. Mirimichi also adds potassium to create a powerful, proprietary 1-1-4 formula that remains at the correct Ph level, all to consistently and effectively deliver the very best that Nutri-Kelp has to offer.

KEY PRODUCT BENEFITS

- **Antioxidants help plants fight stress**
- **Enhances turf and plant health**
- **Promotes healthy soil biology**
- **Improves drought tolerance in plants**
