# RELEASE ZERO

## ORGANIC NUTRIENT STABILIZER

### 10% MICRONIZED CARBON

AVAILABLE IN: 32 OZ, 2.5 GAL, 30 GAL, 250 GAL

Release Zero is a complete, organic nutrient bundle. Release Zero is the organic version of our Nutri-Release, but Release Zero is a soil enhancer, not a fertilizer. Release Zero is a powerful, effective formula that contains instantly available organic compounds and micronized liquid carbon designed to deliver the vital elements plants need in order to flourish. Nutrients in Release Zero are less than 400 Dalton size and this patent-pending nanotechnology optimizes absorption to quickly make nutrients available to roots and leaves. But Release Zero does more than feed plants and surrounding soil, it improves the performance of any insecticide, fungicide, or herbicide, extending your investment in these products. Because of Release Zero's high concentration of rich organic compounds, it will improve water retention and water quality. Do more than fertilize. Improve the environment.

USE WITH ANY FERTILIZATION PROGRAM

NO SYNTHETICS, COMPLETELY ORGANIC

SUSTAINABLE, NATURAL & SAFE

**PART NUMBERS:**  
32 OZ - 3013320Z  
2.5 GAL - 30132.5G  
30 GAL - 301330G  
250 GAL - 3013250G

#### APPLICATION RATES

##### Foliar Application:

Apply 2-4 oz. with a minimum of 1/4 gallon of water per 1000 sq. ft.

##### Soil Drench Application:

Apply 2-8 oz. with a minimum of 1 gallon of water per 1000 sq. ft.

##### Ride-on Sprayer Application:

Apply 1 gallon with 10 gallons of water per acre.  
Please visit our website for more detailed rates

#### KEY PRODUCT BENEFITS

- One of the most advanced nutrient and biological enhancement systems
- A natural and organic microbial food source and nutrient stabilizer
- Solubilizes present minerals and chelates them into plant available form
- Promotes rapid production of protozoa, fungi, and hyphae, for superior soil health
- Nano-technology releases nutrients faster and extends nutrient availability
- Safe to apply with herbicides, insecticides, fungicides, and other fertilizers
