

Monument 75WG

Product Description

Control Difficult Weeds

Monument® 75WG herbicide provides post-emergent control of all major sedges and more than 40 other weeds. Monument® 75WG herbicide gives turf professionals a great tool for controlling all major sedges and more than 40 other weeds on their turf. Create great looking turf with this broad-spectrum herbicide that inhibits weed growth soon after application. Monument 75WG also removes over-seeded, cool-season grasses which helps ensure a better transition to bermudagrass.

Product Details

ACTIVE INGREDIENTS:

TRIFLOXYSULFURON-SODIUM
