Apply NatureShield® automatically to lawn and landscapes surrounding outdoor entertaining spaces via your irrigation system equipped with an American Hydro Systems (AHS) feeder to repel mosquitoes. No system, no problem—Use a hose end or pump sprayer to manually apply NatureShield to lawns, pool decks, private campsites & ponds. NatureShield repels mosquitoes and aids in the suppression of fleas, fire ants, biting midges (No-see-ums) when used as directed.

AHS Feeder Directions: (Read entire label before using).
Shake well before using.

Siphoning Systems - Add (1) bottle[†] per 30 gallon tank.
Fill remainder of tank with water or other AHS products.

Injection Systems - Add (4) bottles[†] per 30 gallon tank.
Fill remainder of tank with water or other AHS products.

GreenFeeder® Systems - For Stow N' Flow and 5 Gallon black tank, add (4) bottles[†] plus equal amounts of water.

Note: If using 1 gallon bottle with quick connect cap, add (1) bottle[†] plus 64 fl. oz. of water and connect to the GreenFeeder directly.

Manual Sprayer Directions: (Read entire label before using).
Shake well before using.

Pump Sprayer - Add 2 fl. oz. per gallon of water.

Hose End Sprayer - Fill & set application rate to 2 fl. oz.

NOTE: Not for use in or around food or feed crops.

Product to be applied to outdoor spaces only.

Do not apply this product if bees or other pollinators are foraging in the treatment area.

[†]1 bottle = 64 fl.oz. NatureShield 2x Concentrated Formula

REPELS MOSQUITOES AROUND OUTDOOR SPACES

CAUTION:

PRECAUTIONARY STATEMENT: MAY IRRITATE EYES. KEEP OUT OF REACH OF CHILDREN AND PETS. Do not mix with other chemicals. Do not get in eyes, on skin or on clothing. Do not swallow. Use with adequate ventilation. Do not inhale fumes. Wear gloves and safety glasses. **First Aid:** Contains cedarwood oil, cinnamon oil, ethyl lactate. **If In Eyes:** rinse with water for 15 minutes and get medical attention. **If On Skin:** rinse well with water. If irritation persists, seek medical attention. **If Inhaled:** and symptoms develop, move to fresh air and seek medical help. **If Swallowed:** call a Poison Control Center (1-800-222-1222) or doctor immediately. Do not induce vomiting. **Storage/Disposal:** Store in original container in a cool place. Keep closed. Do not allow product to freeze. Do not reuse container. If empty, place in trash or offer for recycling if available. If partially filled, call your local solid waste agency for disposal instructions.

All AHS products are compatible and can be used together.

This product qualifies for exemption from EPA registration under Federal Insecticide, Fungicide and Rodenticide Act (FIFRA)
