

Bradfield Organics® Luscious Lawn® Corn Gluten Natural Fertilizer 9-0-0 63015

Net Wt. Bulk or 40 lbs

GUARANTEED ANALYSIS

#F1687

Total Nitrogen (N) 9%
 0.001% Nitrate nitrogen
 0.012% Ammoniacal nitrogen
 8.987% Water-insoluble nitrogen*

Derived from corn gluten meal.

*8.987% slowly available nitrogen is derived from corn gluten meal.

Contains calcium carbonate to improve soil structure by binding soil particles into larger aggregates. This increases the amount of pore space and enhances air exchange, water movement, and root growth.

Bradfield Organics® Luscious Lawn® Corn Gluten Natural Fertilizer 9-0-0 is a premium granulated fertilizer developed to provide a safe (when used as directed), clean, convenient, and easy way to fertilize lawns, trees, shrubs and flower gardens.

DIRECTIONS

ESTABLISHED LAWNS, URBAN TURF, and SPORTS TURF: For best results, using a broadcast spreader, apply up to 7.5 lbs per 1000 square feet to provide 0.675 lb total nitrogen per 1000 square feet in early spring. Follow this with two more applications of 45 to 60 days apart. Water the area within 7 days of application. Certain grass species or soils may require additional nitrogen only and can be supplemented with more Bradfield Organics® Luscious Lawn® Corn Gluten 9-0-0 at an appropriate rate if allowed by state fertilizer application regulations.

NEW LAWNS: Apply to newly sodded areas as directed for established lawns, with the initial application on the same day as sodding. Water the area. Bradfield Organics® Luscious Lawn® Corn Gluten 9-0-0 is not recommended for new lawns started from seed until the root system is established.

FLOWERBEDS AND GARDENS: Apply 1 lb per 100 square feet each spring and fall.

FOR FLORIDA: We recommend that you follow the Green Industries BMP's at:

http://www.dep.state.fl.us/water/nonpoint/docs/nonpoint/BMP_Book_final.pdf

FOR FLORIDA: We recommend that you follow the Golf Course BMP's at:

<http://www.dep.state.fl.us/water/nonpoint/docs/nonpoint/gflbmp07.pdf>

Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn/garden, and sweep any product that lands on the driveway, sidewalk or street back onto your lawn/garden.
