

# AerShot Detailing Foam

**Save Time  
Reduce Labor  
No Mixing  
No Clean-up  
Quick & Easy**

Made in the USA, Patent Pending

Before

After

**CAUTION! CONTENTS UNDER PRESSURE**  
Read carefully other cautions on back panel

**KEEP OUT OF THE REACH OF CHILDREN**

**NET WT. 18 OZ (510g)**

**QUICK AND EASY. ONE SPRAY ONLY.**

AerShot Detailing Foam helps remove discolorations, chemical stains, and pigments without labor-intensive washing, scrubbing, or wiping. Residue floats away with unwanted particles. Helps prevent fading and cracking. Protectants allow for continued polished appearance while extending the lifespan of your targets.

**ATTENTION:**

For use on hard surfaces such as sprinkler heads, metal marking plates, metal equipment. Do not spray directly on turf. Indirect foam will not damage the turf. To increase the speed of the results, apply in clear, dry conditions. The removal of heavy dirt particles prior to application will improve results.

**DIRECTIONS:**

- 1) Shake can thoroughly before use. Foam may be applied to wet or dry surfaces.
- 2) Spray foam 4-6" from target by hand or with the use of a marking wand. Spray contents in a full cone pattern, a sweeping motion will assist in covering intended target.
- 3) Allow to dry for 5-10 minutes.

**CAUTION! CONTENTS UNDER PRESSURE. MAY CAUSE EYE, SKIN AND RESPIRATORY TRACT IRRITATION.**

Keep away from heat, sparks, and open flame. Vapors may produce a flammable atmosphere in confined areas. Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F. Avoid skin and eye contact. Wash thoroughly after handling. Use only with adequate ventilation. Avoid breathing vapor or mist. Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal. Do not take internally. If exposed or concerned: get medical advice/attention. Dispose of contents/container to an approved waste disposal or recycling plant.

**FIRST AID:**

**INHALATION** – Move person to fresh air. If breathing is labored, administer oxygen. If symptoms develop, obtain medical attention.

**SKIN CONTACT** – Wash affected skin with soap and water. If symptoms develop, obtain medical attention.

**EYE CONTACT** – Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists, get medical advice/attention.

**INGESTION** – Unlikely to be required but if necessary treat symptomatically. Do not give anything by mouth to an unconscious person. Seek medical treatment.

**Aspiration of droplets may cause pulmonary oedema.**

**IF SWALLOWED: Immediately call a POISON CENTER or doctor/physician.**

**FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY.**

**WARNING**

Flammable aerosol. Contains gas under pressure; may explode if heated. Causes serious eye irritation. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not spray on an open flame or other ignition source. Do not pierce or burn, even after use. Wash hands and exposed skin after use. Wear protective gloves/protective clothing/eye protection/face protection.
