

# LUNAR

## HARDSCAPE BLADE

The **LUNAR** stone blade is the ultimate exterior diamond blade.

- Soft bonded for hardest stone and brick. Alternating turbo and straight segments give perfect balance between speed and long life.
- Made with a heavy duty steel core to easily handle any gas or brick saw.
- Pinhole available for 14”.
- Available in 4.5” - 14” diameter. Works great dry or wet.
