## YEW PLUM PINE

*Podocarpus Macrophyllus 'Maki'*

ZONE 7-11

A beautiful, medium sized evergreen shrub with narrow dark green foliage and attractive habit. Adds wonderful texture to the landscape. Maki Podocarpus makes an easy to maintain hedge that lasts for many years.

### LANDSCAPE USES:

Privacy screen, hedge and foundation plantings.

### SIZE & GROWTH:

8-10' H x 3-5' W

### CARE:

Minimal pruning needed but tolerates shearing.

### HOW TO PLANT:

1. Set your plant and align in your space properly. Dig a hole twice the width of the root ball and a depth to leave 1-2 inches above grade.
2. Add any planting amendments and prepare the soil. Remove any packaging and tags from the plant.
3. Gently scar and loosen the roots and place in the hole.
4. Bring soil up to and cover the root ball of the plant
5. Water in well.
6. Finish with mulch and water regularly until established.

### FEATURES:

- Needle-like, dark green foliage
- Adds texture and interest to the landscape
- Compact, slower growing variety
