Starter Fertilizer**

Medium Size (SGN 215)

TURF

This product can be applied to any type of grass as a starter fertilizer, for vegetation establishment projects when hydroseeding, or turf reinforcement applications. Apply anytime during the growing season, but user must adhere to seasonal restrictions.

NY, MD & VA: This lawn fertilizer contains phosphorous and is intended only for nonagricultural use on (i) turf during its first growing season, (ii) turf areas being repaired or renovated, and (iii) turf where a soil test performed within the last 3 years indicates a phosphorous deficiency. This fertilizer is not intended for the routine maintenance of turf.
