**12" ROUND D-BOX**

The Polylok 12" drainage / distribution box is the most versatile box on the market today. You can choose what height you want your inlets and outlets to be. It also comes complete with the only seal on the market that accepts 2", 3", 4" and 4" corrugated pipe. No more different fittings to inventory!

**FEATURES**

- Use as a rain drain for gutters, driveways and sub-surface drainage
- Use with 12" risers to bring cover or grate to grade as needed.
- Two seals shipped with every box
- Use our water tight seals & nuts for 2", 3", 4" and 4" corrugated pipe
- Four stabilizing feet with every box
- Plastic or galvanized steel grates available to suit your application

4 Sides

**Standard Configuration**

- 3017-12CG (Grate)
- 3017-12 (Cover)
