# GARVINEA® 'SWEET SPARKLES' AFRICAN DAISY

*Gerbera Jamesonii 'Garswsparkle'*

**ZONE 7–10**

Garvinea® Sweet Sparkles is a winter-hardy variety with dark-eyed hot-pink flowers that bloom from spring until fall. It attracts pollinators and works great as an accent, in a border, a container, or in a mass planting. It prefers full sun and moderate moisture levels.

#### LANDSCAPE USES:

Accent, Bed, Border, Container, Mass Planting

#### SIZE & GROWTH:

15–20" H x 12–15" W

#### CARE:

Water regularly until established.

#### HOW TO PLANT:

1. Set your plant and align in your space properly. Dig a hole twice the width of the root ball and with a depth to leave 1–2 inches above grade.
2. Add any planting amendments and prepare the soil. Remove any packaging and tags from the plant.
3. Gently score and loosen the roots and place in the hole.
4. Bring soil up to and cover the root ball of the plant.
5. Water in well.
6. Finish with mulch and water regularly until established.

#### FEATURES:

- High resistance to pests and diseases
- Blooms from spring to fall
- Winter-hardy variety
- Produces up to 70 flowers per year
