

MATERIAL SAFETY DATA SHEET

SECTION 1

MANUFACTURERS NAME

Maestro-Gro
PO Box 869
Hamilton, TX 76531
(254)386-4400

PRODUCT IDENTIFICATION

TRADE NAME

Expanded Shale Natural/Organic Plant Food and Amendments
Expanded shale is a type of sedimentary rock that has been fired in a kiln at high temperature to create an expanded, porous product

WARNING STATEMENTS

Avoid breathing dust that may arise while handling. Wash exposed body parts after handling to prevent eye or mouth contamination.

PRECAUTIONARY MEASURES

First Aid:

For dust inhalation:	Move subject fresh air. See physician if persists.
In case of fire:	Extinguish with water, dry chemical, carbon dioxide, or chemical form.
Spill or leak:	Sweep up and place in disposal container. Safe for landfill.

HAZARDOUS INGREDIENTS

None

OCCUPATIONAL CONTROL PROCEDURES

Eye protection:	Wear safety glasses or face shield to protect against particulate matter. Have eye wash available where eye contact can occur.
Skin protection:	Wear gloves where hand-to-eye or hand-to-mouth contamination can occur.
Respiratory protection:	Wear dust mask or respirator to minimize exposure to nuisance dust.
Ventilation:	Adequate to prevent build up of dust.

FIRE PROTECTION

Flash point:	Greater than 400 degrees f.
Appropriate extinguishers:	Water, dry chemical, chemical form, carbon dioxide.
