General Information:

SMS 700 G is a proprietary blend of soil surfactants in a granular formulation to provide a flexible tool to combat soil hydrophobicity or LDS. SMS 700 G can be applied at a variety of rates to improve wetting of the soil. SMS 700 G is formulated for use by golf course superintendents or professional turf applicators.

First Aid:

IF IN EYES: Immediately flush eyes for 15 minutes. Seek Medical treatment if necessary. **IF ON SKIN OR CLOTHING:** Remove contaminated clothing and rinse area with water. **IF INHALED:** Move to fresh air immediately. **IF INGESTED:** Drink water or milk quickly. Do not induce vomiting. Seek medical treatment if necessary.

Directions for Use and Use Rates:

Rate of Application: Apply SMS 700 G at 6.5 lbs per 1000 sq. ft. Application should be made early in the growing season. At least 1–2 irrigation cycles should be applied soon after treatment to enhance product performance. Additional application(s) are recommended throughout the growing season at 3.5 lbs per 1000 sq. ft.

OR

Apply SMS 700 G at 3.5 lbs per 1000 sq. ft. Application should be made early in the growing season. At least 1–2 irrigation cycles should be applied soon after treatment to enhance product performance. Follow up the first treatment 7–10 days later with another 3.5 lbs per 1000 sq. ft. Additional application(s) are recommended throughout the growing season at 3.5 lbs per 1000 sq. ft. to obtain optimal performance depending on environmental conditions.

Such factors as weather conditions and environmental conditions should be noted when choosing application times.

Note: Spreader calibration settings vary. Be sure that the application spreader is properly calibrated prior to use. If accurate spreader calibration cannot be performed, and proper application techniques not followed, please use SMS 700 liquid formulation.

Precautionary Statements:

Wash thoroughly after handling. Wear protective gloves/eye/face protection. Please consult material data sheet for more information. Use product only as directed. Avoid direct inhalation or contact with eyes or skin.

Storage and Disposal:

Storage: Maintain in a safe and isolated area. Store in original container only and do not add any contents to container before or after use.

Disposal: Follow disposal procedures appropriately such as triple rinsing and disposing of rinsate either in spray tank or in accordance with federal, state and local law. Dispose of container in accordance with federal, state and local law.
