

1. IDENTIFICATION OF THE SUBSTANCE

Product: Thatch Relief

Manufacturer: Soil Technologies Corp.

Address: 2103 185th St, Fairfield, IA 52556

Phone No.: 1-641-472-3963

Emergency No.: 1-641-472-3963

Restrictions on Use: Not for human or animal consumption.

2. HAZARDS IDENTIFICATION

Not classified as a hazard by GHS.

3. COMPOSITION/INFORMATION ON INGREDIENTS

Composition: Product contains no hazardous ingredients at reportable concentrations.

4. FIRST AID MEASURES

Skin Contact: In case of contact, wash off skin with soap & water.

Inhalation: Move exposed person to fresh air. Loosen tight clothing around neck & abdomen. If needed, provide artificial respiration or oxygen by trained personnel.

Eye Contact: Rinse cautiously with water for several minutes. Remove any contact lens(es) and rinse eyes thoroughly, pulling both upper and lower eye lids away from eyes.

Ingestion: Wash out mouth with water. If conscious, drink water to dilute. Do not give anything by mouth to an unconscious person. Do not induce vomiting unless directed to do so by medical personnel.

5. FIRE-FIGHTING MEASURES

Suitable Extinguishing Media: This product is not combustible. Use foam, dry powder, carbon dioxide, water spray or sand, according to the nature of the surrounding material.

6. ACCIDENTAL RELEASE MEASURES

Prevent entry to sewers and public waters.

Soak up spills with inert solids, such as clay or diatomaceous earth as soon as possible.

7. HANDLING AND STORAGE

Store in original container away from children & pets. Keep container upright & tightly closed. Store locked up. Avoid temperature extremes and direct sunlight.

8. EXPOSURE CONTROL/PERSONAL PROTECTION

Contains no substances with occupational exposure limit values.

9. PHYSICAL AND CHEMICAL PROPERTIES

Physical State: Thin Liquid

Color: Cloudy, Light Brown

Odor: Mild, Sour, Yeasty

10. STABILITY AND REACTIVITY

Chemical Stability: Stable under cool ambient conditions. Refrigeration prolongs shelf life.

Physical Stability: Thorough mixing is recommended before use, and frequent agitation is recommended during use.

Conditions to Avoid: Extremely high or low temperatures.

Materials to Avoid: Products that react strongly with water.
