AND MORE!

The Grow Co's Triple Super Phosphate is a potent phosphorus supplement, essential for both root development and the formation of flowers and fruits. Phosphorus not only plays a pivotal role in energy transfer within plants, ensuring efficient nutrient uptake and robust growth, but also enhances the flowering phase for prolific blooms and fruiting. Its concentrated formulation guarantees easy absorption, whether applied dry or in spray solutions.

Perfect for fortifying the growth and bloom of:

Trust in The Grow Co's Triple Super Phosphate to ensure optimal phosphorus levels for vibrant growth and abundant flowering in all your plants.

...And much more!

Trust in The Grow Co's Triple Super Phosphate to ensure optimal phosphorus levels for vibrant growth and abundant flowering in all your plants.

#### DIRECTIONS FOR USE

Apply ½ lb. (¾ cup) per 100 sq. ft. of row into the top one inch of soil and water thoroughly.

General Use Rate:

	Low soil fertility: 1 lb. (1 ½ cups) per 100 sq. ft.		Normal soil fertility: 5 oz (1/2 cup) per 100 sq. ft.
---	--	---	---

#### DURING PLANTING

 All ½ lb. per 100 sq. ft. of garden. Mix into the soil to a depth of 6 to 8 inches. Water thoroughly after application.

#### FEEDING & MAINTENANCE

 Frequency:  
Every 6 weeks throughout the growing season.
