Notes: **Sold in full bundles only and is produced and sold on a required, refundable skid.** Rivercrest is recommended for walls under 2ft. Ideal for straight or curved walls, seat walls, pillars, tree rings, planters, firepits and grill islands. Integrated connectors require no pins or clips. Minimum radius using equal amounts of each unit is 1.25m / 4.ft. Using only unit 1 & 3 a 1.055m / 3.5ft radius can be achieved. For more information, please consult the Rivercrest installation booklet. Retaining wall engineering software is also available free of charge at www.unilock.com. All measurements are nominal. Contact Unilock for more information. Unilock recommends using Ledgestone™ or Natural Stone coping for a complete and refined look.

Internal Use Only. RVC ON
