Multiple sales orders for one customer are cumulative and will qualify if ordered between program dates and from any BASF Authorized Agent(s) and/or Distributor(s). The Qualified End-User must purchase at least \$2,000 of Qualifying EOP Products to qualify for the 2022 T&O EOP End-User Rebate Program. Product must be purchased, invoiced and delivered between the program dates. No exceptions. The invoiced dollar amount for Agency Products and the redemption value of qualified non-Agency Products will be used to determine Qualified End-User total purchase and rebate earned. Qualified End-User must be in good credit standing with agent to receive special promotional terms. All Agency Products invoiced between October 1, 2021 and January 31, 2022 will receive June 9, 2022 terms for the Qualified End-User. Terms for qualifying non-Agency Products are determined by a BASF Authorized Distributor. All rebates will appear as a credit on the Qualified End-User's account with the agent who processed the order. T&O EOP End-User Rebate credit will become available by July 31, 2022. If a Qualified End-User purchases from more than one agent, the rebate will be applied to the respective agent based on percent purchase from each agent.
