## CONTROLLER UPGRADE PROGRAM

MARCH 1-APRIL 30 | *See website for full product list*

### 4 Steps to Better Efficiency, Better Savings and a Better Environment

1. Place Controller Upgrade Program door hangars on homes of your customers.
2. Identify older, inefficient residential controllers.
3. Bring used controllers to your local SiteOne® branch to be recycled.
4. Receive a 15% discount on a new SMART controller and up to 10% off other water saving products.

Learn more about the benefits in upgrading to newer, more efficient controllers. Visit [SiteOne.Com/UpgradeAndSave](https://www.siteone.com/UpgradeAndSave) for details.

# 15% OFF

RECYCLE an old controller and SAVE 15% when you UPGRADE to a new WiFi or SMART controller.

# PLUS, GET UP TO 10% OFF ON RELATED PRODUCTS

Along with controllers, you can save on other water-saving products such as high-efficiency spray and rotor nozzles. Now you can upgrade entire systems for less.

# PLUS, GET UP TO 10% OFF ON RELATED PRODUCTS
