

## PREMIER TRAITS TO GROW YOUR REPUTATION

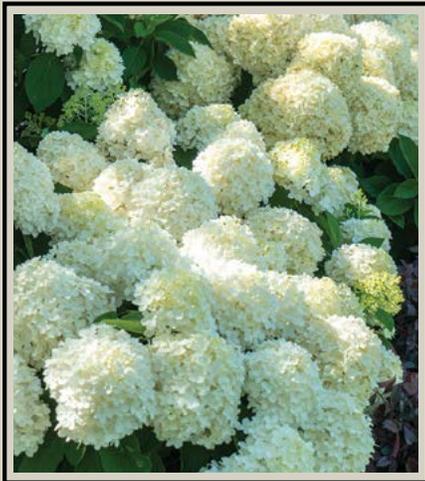

*A collection of the best, designed for professionals who accept nothing less.*

### INTRODUCING THE PORTFOLIO NURSERY COLLECTION

Here's to the craft—and those who don't compromise. As a landscaping pro, you know that paying extra attention to the small details can make all the difference to your customers.

That's why SiteOne® Landscape Supply is introducing Portfolio, our premium line of nursery plants and products. Because when you're setting down roots, you want something that lasts.

### PREMIUM QUALITY PRODUCTS

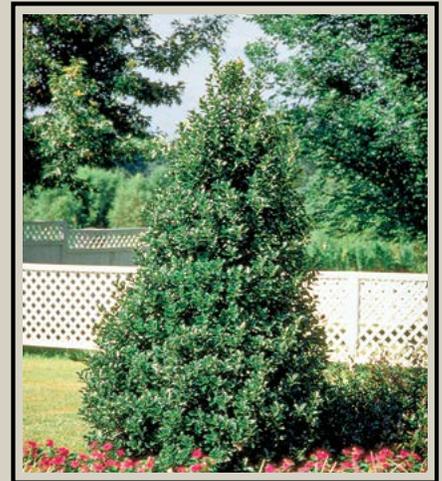

**WHITE WEDDING® HYDRANGEA**  
*Hydrangea X Paniculata*

This plant has large, soft pillow white blooms held by sturdy upright branches. Blooms late spring throughout the summer. Use to brighten a partly shaded spot, mass together for a showy statement, or accent your cut flower garden. Can tolerate full sun.

**GREEN GIANT ARBORVITAE**  
*Thuja Plicata X Standishii 'Green Giant'*

A versatile evergreen conifer that offers many landscape uses and thrives in many environmental conditions. Known for its fast growth rate, this plant provides a perfect privacy screen with little maintenance to keep its shape. Thrives in heat and humidity.

**OAKLEAF™ RED HOLLY**  
*Ilex X 'Conaf'*

Tall evergreen shrub with emerald green oak like leaves and red berries. Pyramidal upright form. New growth emerges bronze and creates a wonderful contrast with the darker foliage. Low maintenance and easy to grow.

## DEPENDABLE GENETICS, UNIQUE TRAITS

Curated to exceed the highest of expectations, the Portfolio Nursery Collection is a unique, reliable and readily available palette from SiteOne.

Carefully selected unique traits and genetics produce one-of-a-kind nursery plants and products that are as dependable, as they are beautiful. Grow with exceptional quality designed to help every project flourish.

## PREMIUM QUALITY PRODUCTS

**NELLIE R. STEVENS HOLLY**  
*Ilex X 'Nellie R. Stevens'*

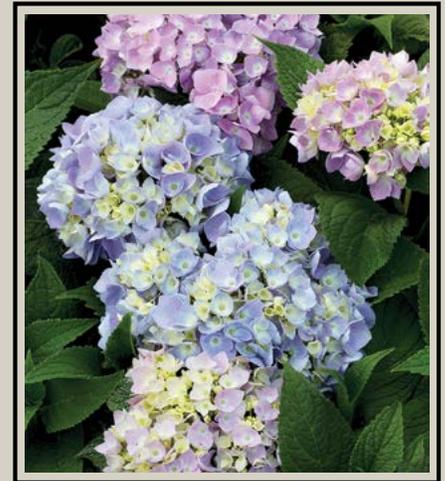

A large evergreen shrub or small pyramidal tree with very attractive foliage and beautiful red berries. The berries make this holly bird friendly.

2021.4401

**TAYLOR JUNIPER**  
*Juniperus Virginiana 'Taylor'*

Upright, columnar evergreen tree with sage green foliage that turns to a purplish tinge in winter. A fantastic selection for those tight spaces that need an upright structural component. Adaptable to a wide range of conditions. This tree can give any landscape that elegant look you have been seeking.

**PAINTED SKY™ HYDRANGEA**  
*Hydrangea Macrophylla 'GRENAN'*

This prolific repeat blooming hydrangea packs a punch of colors reminiscent of the sky it was named for. Flowers from summer until frost, with colors ranging from blue to pink depending on soil acidity. A vigorous grower, with rounded compact habit. Perfect for any partially shaded garden. Flowers are blue in acidic soil and pink in alkaline soil.
