EDGER BLADE SHIELD	LHE-2475	001001 & UP

The Edger blade shield and rear wheel height adjuster have been redesigned for increased durability and ease of adjustment. The new shield supersedes the current shield requiring some new parts and retrofit of existing parts. Listed below are the parts breakouts for current and new shield assemblies. Parts shown with an asterisk (\*) on the current shield assembly can be retrofitted on to the new shield. Parts shown with a plus (+) sign on the new shield assembly must be ordered to complete new blade shield retrofit.
