Safe around kids,
pets and plants!

Bushes, trees,
trash containers
and flower beds
will become spots
to avoid, not visit!

All natural • Ready-to-use • Covers Approximately 2,000 Square Feet

It's easy to keep dogs and cats away
from areas they don't belong!

With Liquid Fence® Dog & Cat Repellent your lawn, flower beds, garden areas, trees, shrubs and trash containers will become spots to avoid – not visit!

Made with all-natural plant oils, it's biodegradable and earth friendly. And you can rest assured, Liquid Fence Dog & Cat Repellent won't harm your pets or your plants.

Directions:

SHAKE WELL! Apply Liquid Fence Dog & Cat Repellent directly to landscaped beds, trees, shrubs, garbage cans or bags and other areas where pets and/or strays are not wanted. Effectiveness will last a week or more and continue to work as long as the repellent is present. Simply repeat applications as necessary.

Liquid Fence Dog & Cat Repellent will not harm vegetation. Before spraying on objects such as outdoor furniture or decking, test a small area for staining acceptability. Recommended for outdoor use only.

Training tip: Initially, to break a pattern of habitual behavior, the repellent may need to be applied more frequently. As the animal's behavior is changed, the application frequency can be reduced.

It's a terrific training aid...

All natural Liquid Fence Dog & Cat Repellent can help your pets learn the correct behaviors that will make them become a better part of the family.

How it works...

Pets and strays will habitually visit the same areas, seeking familiar animal scents, to perform their "duties". When Liquid Fence Dog & Cat Repellent is sprayed in these areas, it will mask the familiar odors, causing the animals to become uneasy, thus repelling them.

Active Ingredients: Citronella Oil 0.78%, Eugenol 0.20%, Garlic Oil 0.20%, Sodium Lauryl Sulfate 0.20%, Cinnamon Oil 0.20%, Geraniol 0.10%
Other Ingredients: 98.32%: (Water, Lime)

Totamente natural • Listo para usarse
Cubre aproximadamente 2,000 pies cuadrados

INDICACIONES DE USO: ¡AGÍTESE BIEN! Aplique el repelente para perros y gatos Liquid Fence® directamente sobre arriates paisajísticos, árboles, arbustos, contenedores o bolsas para basura y otras áreas donde las mascotas y/o animales callejeros no son deseados. Su efectividad durará una semana o más y continuará trabajando tanto tiempo como esté presente. Simplemente repita las aplicaciones cuando sea necesario.

El repelente para perros y gatos Liquid Fence no dañará la vegetación. Antes de rociarlo sobre objetos tales como muebles de exteriores o terrazas, haga una pequeña prueba para ver su aceptación de manchado. Recomendado para uso en exteriores solamente.

Consejo de entrenamiento: Inicialmente, para romper un patrón de comportamiento habitual, el repelente puede necesitar que sea aplicado más frecuentemente. Conforme cambie el comportamiento del animal, la frecuencia de aplicación puede disminuirse.

MANTÉNGASE FUERA DEL ALCANCE DE LOS NIÑOS

INFORMACIÓN DE PRECAUCIÓN: Este producto puede ser dañino si se traga. Evite el contacto con los ojos. Si ocurre contacto con los ojos, lávelos inmediatamente con abundante agua. Busque atención médica si esto ocurre.

ALMACENAMIENTO Y ELIMINACIÓN: No contamine agua, comida ni alimentos al almacenar o eliminar el producto.

ALMACENAMIENTO: Almacénese en su envase original, en un lugar fresco y seco e inaccesible para los niños y las mascotas. Protéjalo del calor y del congelamiento. Almacénelo entre 40° - 90°F. Mantenga los envases bien cerrados para evitar su evaporación. Si ocurre un derrame, dilúyalo con agua y lávelo para eliminarlo.

ELIMINACIÓN DEL ENVASE: No vuelva a usar envases vacíos. Deseche el envase según las leyes municipales o locales en su área.

KEEP OUT OF REACH OF CHILDREN

CAUTIONARY INFORMATION: This product may be harmful if swallowed. Avoid contact with eyes. If contact with eyes occurs, immediately flush with plenty of water. Seek medical attention if either occurs.

STORAGE AND DISPOSAL: Do not contaminate water, food or feed by storage or disposal.

STORAGE: Store in original container, in a cool, dry area inaccessible to children and pets. Protect from heat and freezing. Store between 40° - 90°F. Keep containers closed tightly to prevent evaporation. If spillage occurs, dilute with water and flush away.

CONTAINER DISPOSAL: Do not reuse empty container. Dispose of empty container as required by municipal or local laws.
