

Brandt Converge CRN

70% Controlled Release Nitrogen Fertilizer

CONVERGE CRN is a 70% controlled released nitrogen that is engineered on four unique release characteristics to obtain constant growth pattern of the plants. CONVERGE CRN releases the proper amount of nitrogen to the plant to avoid nitrates losses from the soil. This product utilizes the microorganisms in the soil to release the nitrogen at the proper rate for the plants. There are minimum losses of NO_3 and NH_3 from the soil, which reduces the total nitrogen needs for the crop without sacrificing performance, yield and health of the plant. Addition of CONVERGE CRN will improve the root development and overall plant health.

TURF APPLICATIONS

CONVERGE CRN may be applied throughout the growing season on cool, warm and transitional grasses. Dilute with water according to desired nitrogen rate per 1,000 sq. ft. CONVERGE CRN is ideal for low volume spraying and when added properly, is compatible with other N-P-K materials and technical products.

CONVERGE CRN can be mixed with water, fungicides, insecticides, herbicides, surfactants and other liquid fertilizers. If using EC pesticides with CONVERGE CRN, make sure all EC mixtures are added to the spray tank last, after all other products in the mixture has been fully mixed and agitated in the tank. CONVERGE CRN is non-burning, so foliar contact will not harm the plants.

Derived from Urea and Methylene Diurea.

* Controlled Release Nitrogen from Methylene Diurea.

F76

Lbs. of Nitrogen per Liquid oz.

10 oz	1/4 lb. Nitrogen
13.7 oz	1/3 lb. Nitrogen
21 oz	1/2 lb. Nitrogen
31 oz	3/4 lb. Nitrogen
42 oz	1 lb. Nitrogen
128 oz	(1 gal.) 3.1 lb. Nitrogen

Apply at a rate of 1/4 lb. to 1 lb. Nitrogen per 1,000 sq. ft.

CAUTION: Check compatibility with standard jar test.

Weight per gallon: 10.5 lbs

CAUTION: KEEP OUT OF REACH OF CHILDREN

WARNING: DO NOT TAKE INTERNALLY

Harmful if swallowed. Avoid contact with skin. Avoid breathing spray mist. Wash hands after using. Causes eye irritation. Avoid contact with eyes. In case of contact, flush eyes with water for at least 15 minutes and get medical attention. No specific antidote. Dilute by giving water or milk immediately and allowing vomiting to occur.

Warranty: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use; but neither this warranty nor any other warranty of merchantability or fitness of a particular product expressed or implied, extends to the use of this product contrary to label conditions, or under conditions not reasonably foreseeable to the seller; and buyer assumes the risk of any such use.

Dispose of container in accordance with local, state and federal regulations.
