

MAX TRENCH SHOVELS

STRENGTH & DURABILITY

CORONA® offers industry correct, color-coded trenchers for digging new trenches & cleaning them out.

- Finish your job faster with heavy-duty 12-gauge tempered steel blades that outperform some lower gauge blades
- Quickly find the right-sized tool for the job with industry-standard head sizes and colors
- Work more efficiently with dual handle angles optimized for digging or clean-out. Choose from 35° and 28°
- Limited Lifetime Warranty

35 degree is our most popular blade type; its sharper angle makes it easier to pick up loose soil and debris. Ash replacement handles are available.

STEEL THICKNESS: The LARGER the gauge number, the THINNER and lighter the blade.
