

CLEAN-jet is designed as a cleaner and rinse solution for Arborjet devices. The Hydraulic and Hand-Operated devices may be stored with CLEAN-jet inside the device. CLEAN-jet contains a lubricant to extend the life of the internal device o-rings. VIPER needles that become clogged with resin or other materials can be soaked in CLEAN-jet.

Always read label instructions before using this product.

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**WARNING:** DO NOT INGEST. Harmful if swallowed. Avoid breathing vapors. USE ONLY IN WELL VENTILATED AREA. Overexposure may include headache, drowsiness, nausea, vomiting, and blurred vision. Eye irritant: do not get in eyes or on clothing. WEAR SAFETY GLASSES. WEAR PROTECTIVE GLOVES (butyl rubber, nitrile rubber, neoprene rubber, polyvinyl chloride or viton). Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

**NOTE:** This product is NOT a pesticide

**APPLICATION & USES**

This product is designed as a rinsing solution for Arborjet’s devices including the Hydraulic, Hand-Operated, Tree I.V., and the Pro-Cap. It is designed specifically for use as a storage solution for the Hand-Operated device to help keep the device primed.

**TO CLEAN DEVICES:**

Add 25 to 50mL to the supply bottle, pump through the device to rinse chemical residue. Dispose of rinse solution properly as instructed below. Follow device training manuals for more detailed directions.

**FOR DEVICE STORAGE:**

The Arborjet Hand-Operated device and Hydraulic device can remain filled with CLEAN-jet rinse solution until next use. This prevents the need to re-prime, and it also lubricates the o-rings and internal components.

**RESTRICTIONS**

Keep away from children  
Slight Flammability-Keep away from heat and open flame

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal  
Keep from freezing and store in a cool, dry place, above 45F.

**DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.  
**CONTAINER DISPOSAL:** Dispose of empty bottles in a sanitary landfill or by incineration if approved by State and Local authorities.

**NOTICE OF WARRANTY**

ARBORJET, Inc makes no warranty of fitness of this product for any other purpose, beyond its uses under normal conditions in keeping with the statements made on this label.
