ROBO-MELT™

ICE CONTROL

ICE MELTER

- All Natural Ice Melter
- Less Harmful to Grass, Shrubs and Concrete
- Less Harmful to Children, Pets and Wildlife
- Provides Safer, No-Slip Protection on Steps, Sidewalks and Driveways

DIRECTIONS FOR USE:

Sprinkle the ice melter on ice and snow at the rate of 1-4.5 lbs. per 500 sq. ft. depending on the amount of snow and ice present. When applied during the early stages of a snow storm, this ice melter makes snow removal much easier.

CAUTION: Although this ice melter is much safer than other brands, it may be harmful if inhaled or ingested in large amounts. Can irritate eyes. If in eyes, flush with water. If inhaled or ingested in large amounts, consult a physician. May irritate skin. Wash hands after application.

NOTE: Fading or spalling may occur by using any ice melter product on poor quality concrete. Do not use on concrete less than one year old or that is not properly sealed, finished or cured.

NON WARRANTY:

No warranty expressed or implied concerning the use of this product is made by the manufacturer or seller other than for the purposes indicated on the label. Manufacturer or seller is not liable for any injury or damage caused by the product due to misuse, misreading or any application not specifically described and recommended on the label. In no event shall the use of this product cause damage to property or property. Buyer expressly agrees that the use and proper application of this product and removal is subject to the label and position of these goods and receive a refund of the purchase price.

NOTE: For food plant and other industrial uses, read considerations of food in the application and storage of the product. Do not use on food contact surfaces.
