

STRIPING MACHINES

We now offer 3 machines – 2 for striping athletic fields and 1 for striping pavement. Durable 18-gauge, all-steel construction. Collapsible for compact, easy storage. Easy-to-use, convenient handle bar to control the paint applied to the field. Adjustable: striping width of approximately 2”– 4 “

PAVEMENT

- Ideal for pavement, concrete, blacktop or metal
- 7” wheels provide a smooth ride over hard surfaces

Single Can

Holds 12 Cans

K08340

ATHLETIC

- Ideal for grass, gravel or any uneven surface
- Dual-can machine provides twice the paint for even bolder, thicker lines
- 10” wheels elevate the carriage to provide an even ride over rough or uneven surfaces

Single Can

Holds 12 Cans

K08350

Dual Can

Holds 8 Cans

K08370000
