

Sealers For Many Surfaces

No matter what type of hardscape you're installing, protect it with a high-quality, long-lasting sealer. SRW sealers are designed specifically for a variety of surfaces. We are proud to offer natural-look/matte, low-gloss, and high-gloss finishing options.

SR SLIP-RESIST™

SR Slip-Resist™ is a slip-resistant polypropylene particle mixture that can be added to film-forming sealers to create a textured surface, improving slip resistance. Great around pools!

SLIT FOAM ROLLERS

SRW Slit Foam Rollers are a must-use product when sealing. They help ensure even application. Don't get caught without one on your next project.
