

NUTRA-PLUS™

MULTI-PURPOSE BIO-FERTILIZER

8-2-4

NUTRA-PLUS™ provides a balanced blend of primary and micronutrients plus amino acids in a dynamic liquid complex. These combine to promote deep root growth and strong vertical and horizontal growth which is essential to managing high quality turf grass, shrubs, trees and flowers.

NUTRA-PLUS™ improves turf color as well as quality of mowing and play performance on golf greens and tees while it supplies essential nutrients commonly lost due to regular mowing and leaching.

As a multi-use formula, **NUTRA-PLUS™** Promotes balanced leaf, stem and root growth of all plants, trees and turf!

Benefits of Use:

- Promotes deep green leaf color
- Improves ball roll and play on golf greens
- Improves heat and drought tolerance
- Enhances disease resistance
- Balanced nutrition for turf, shrubs, trees and flowers!
- Buffers Harmful Salt
- Stimulates beneficial aerobic soil microbes
- Easy to use liquid formula
- Use year-around!

Application Instructions:

NUTRA-PLUS™ is highly concentrated and should be mixed with water to ensure adequate coverage.

LAWNS & GRASSES: For small areas apply 8-16 ounces per 1000 square feet in 5-10 gallons of water -OR- foliar apply 4-5 gallons in 50-100 gallons of water per acre. Apply every 7-14 days or as needed with sprayer. Water normally following application.

FLOWERS & GARDENS: Mix 2 oz per gallon of water in watering can and pour over leaves and soil. Wet both soil and foliage to point of run-off.

FOLIAR FEEDING OF TREES & SHRUBS: Mix 2-quarts per 100 gallons of water and spray onto foliage to point of run-off. Repeat as desired.

Consult your Biofeed Products supplier for additional directions for use.

Guaranteed Analysis:

Total Nitrogen (N)	8.0%
6.0% Urea Nitrogen	
2.0% Organic Nitrogen	
Available Phosphate (P2O5).....	2.0%
Soluble Potash (K2O)	4.0%
Iron (Fe).....	0.05%
Manganese (Mn).....	0.03%
Zinc (Zn).....	0.03%

Derived from Urea, Protein Hydrolysate, Ammonium Phosphate, Potassium Nitrate, Iron, Zinc & Manganese Gluconates.

Information regarding the contents and levels of metals in this product is available on the internet at <http://aapfco.org/metals.htm>

Storage and Disposal:

Keep products in original container. Do not transfer into food or drink containers. Triple rinse when empty for recycling. Always dispose of container in accordance with local, state, and/or federal regulations.

Jar test for compatibility prior to final tank mixing with other fertilizer products.

Availability:

4 ounce bottle, 1 quart jug, 2.5 gallon jugs, 55 gallon drums or 275 gallon bulk containers.

Physical Characteristics:

9.9 LB/gal. pH 7.5 (0.792 Lb. N/gal.)

Condition of Sale:

The information herein is believed to be accurate and reliable. Buyer and user assume all liability from use of this material. Follow directions carefully. Timing, method of application, weather, plant, crop or turf conditions, and other factors are beyond the control of the seller.

Caution:

CONTAINS IRON and May Stain. Avoid contact with all Non-Target Areas. Keep out of reach of children. May be harmful if swallowed.

MSDS available upon request.

SHAKE WELL OR STIR BEFORE USE. May be used in Fertigation Injection Systems.
