

manual straight valves

100RS series

| base model | 100RS-075Y | 100RS-100Y | 100RS-125Y | 100RS-150Y | 100RS-200Y |
|-------------|--|--------------------------------------|--|--|--------------------------------------|
| description | straight valve 3/4" with rising swivel | straight valve 1" with rising swivel | straight valve 1-1/4" with rising swivel | straight valve 1-1/2" with rising swivel | straight valve 2" with rising swivel |
| weight | 1.56 | 2.167 | 4.44 | 6.4 | 9.75 |
| case qty | 18 | 12 | 9 | 5 | 4 |

200RS series

| base model | 200RS-075Y | 200RS-100Y | 200RS-125Y | 200RS-150Y | 200RS-200Y |
|--------------|-------------------------------------|-----------------------------------|---------------------------------------|---------------------------------------|-----------------------------------|
| description | angle valve 3/4" with rising swivel | angle valve 1" with rising swivel | angle valve 1-1/4" with rising swivel | angle valve 1-1/2" with rising swivel | angle valve 2" with rising swivel |
| weight (lbs) | 1.4 | 1.67 | 3.67 | 5 | 7 |
| case qty | 20 | 1 | 6 | 4 | 2 |

300RS series

| base model | 300RS-075Y | 300RS-100Y | 300RS-125Y | 300RS-150Y | 300RS-200Y |
|--------------|---|---|---|---|---|
| description | angle valve 3/4" with rising swivel & union | angle valve 1" with rising swivel & union | angle valve 1-1/4" with rising swivel & union | angle valve 1-1/2" with rising swivel & union | angle valve 2" with rising swivel & union |
| weight (lbs) | 1.8 | 2.1 | 4 | 7.25 | 9 |
| case qty | 15 | 10 | 3 | 4 | 2 |

features

- durable brass construction
- full size water ways for low pressure loss
- 'RS' models feature rising swivel style seat
- optimal flow:5-180 GPM
- operates up to 150 PSI working pressure
- use to effectively regulate water supply with manual operation
- easily converts to automatic with add on actuators (CL or AA models)

repair & replacement parts

manual stem assembly kit

manual stem rebuild kit

1-1/4" valve stem replacement kit

1-1/2" valve stem replacement kit

2" valve stem replacement kit

RK-1C

assembly rebuild kit for 3/4" valves

RK-2C

assembly rebuild kit for 1" valves

RK-1C-125

assembly rebuild kit for 1-1/4" valves

RK-1C-150

assembly rebuild kit for 1-1/2" valves

RK-1C-200

assembly rebuild kit for 2" valves
