

EVOLUTION GRIPPER

The Gripper Evolution is Komelon's newest closed case long steel tape measure. This long steel tape measure has a high visibility blade which makes it easier to read and ideal to use in all light conditions. The redesigned ABS case with durable rubber grip is ergonomic and functional with both a belt clip and carabineer option to help carry the tape. The Gripper Evolution is the perfect long steel tape for any contractor or other professional who needs accurate measurements.
