

# simple & safe<sup>®</sup>

Quality ice melter

**Simple & Safe<sup>®</sup>** Ice Melter has been carefully formulated to be the safer alternative to traditional rock salt. **Simple & Safe<sup>®</sup>** is formulated as a top-quality ice and snow melter, that outperforms other ice melters. **Simple & Safe<sup>®</sup>** Ice Melter is colored orange and stands out against ice and snow. This allows precise spreading of the product, preventing over application and essentially saving you money!

-  **Formulated to provide soil supporting compounds**
-  **Simple & Safe<sup>®</sup> is safer\* for plants and animals when compared to the leading ice melt brands**
-  **Colored Orange for Consistent Visual Distribution**
-  **Contains: Sodium Chloride, Calcium Chloride, Magnesium Chloride and Potassium Chloride**

\*When used as directed
