

NIBAN-FG[®]

Fine Granular Bait

Niban-FG gives PMPs the power of Niban in a ready-to-use fine granular form ideal for indoor use.

Niban-FG is perfect for perimeter, attic and crawl space treatments as well as difficult-to-reach areas like cracks and crevices, under cabinets and appliances, in and around waste containers and into openings around drains, water pipes and electrical conduits.

The active ingredient in Niban-FG is a 5% boric acid. Each granule carries patented insect food attractants and food grade oils to give the bait not only excellent insect attraction and efficacy, but also long-term protection against moisture and spoilage.

- Kills and controls multiple species of ants, cockroaches and crickets as well as silverfish, earwigs, slugs and snails.
- Can be used indoors or outdoors.
- Has virtually no odor. Can be used indoors in sensitive areas.
