

Low Voltage Ground Stakes

GS-150
9" black ABS in-ground stake with 1/2" NPT hub

GS-200
14" black ABS in-ground stake with 1/2" NPT hub

GSP-150
1" x 12" PVC stake with threaded 1/2" NPT removable cap

TGSP-150
1 1/4" x 12" PVC telescopic stake (extends up to 24" overall) with threaded 1/2" NPT removable cap

CGSP-150
Copper Series 1" x 12" PVC stake with threaded 1/2" NPT removable cap

CTGSP-150
Copper Series 1 1/4" x 12" PVC telescopic stake (extends up to 24" overall) with threaded 1/2" NPT removable cap

CO-150
Die-cast aluminum cap with threaded 1/2" NPT hub – Ideal for creating custom size stakes from 1" PVC pipe

Mounting Canopies

WM-150*
Die-cast 4" rectangular wall canopy with threaded 1/2" NPT hub

WM-150R*
Die-cast 4" round wall canopy with threaded 1/2" NPT hub

AC-150*
Aluminum 5" round architectural canopy with threaded 1/2" NPT hub

MC-150*
Die-cast aluminum 2 3/4" low voltage mounting canopy with threaded 1/2" NPT hub

CMC-150
Copper Series 2 3/4" low voltage mounting canopy with threaded 1/2" NPT hub

WB-150
Solid brass 2 3/4" low voltage mounting canopy with threaded 1/2" NPT hub

SM-150*
Surface mount canopy base with control switch and threaded 1/2" NPT hub

MCS-150**
Die-cast aluminum 2 3/4" low voltage mounting canopy with threaded 1/2" NPT hub and UV-stable quick-locking adjustable strap (in 12", 24", 36", and 48" lengths)

Junction Boxes

JB-200
Composite in-ground junction box with two 1/2" NPS bottom inlets and gasketed cover with a 1/2" NPS hub

JB-250
Composite in-ground junction box with two 1/2" NPS bottom inlets, two 1/2" NPS side inlets and gasketed cover with a 1/2" NPS hub

JB-300
Composite in-ground junction box with two 3/4" NPS bottom inlets and gasketed cover with a 1/2" NPS hub

JB-350
Composite in-ground junction box with two 3/4" NPS bottom inlets, two 1/2" NPS side inlets and gasketed cover with a 1/2" NPS hub

TM-150*
Die-cast aluminum low voltage tree mount junction box with threaded 1/2" NPT hub – Stainless steel lag screws and hex nuts included

TM-120*
Die-cast aluminum line voltage tree mount junction box with threaded 1/2" NPT hub – Stainless steel lag screws and hex nuts included

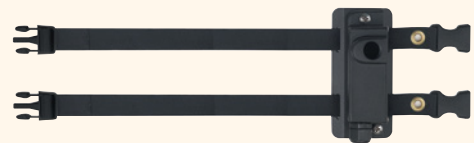

CTM-150
Copper Series low voltage tree mount junction box with threaded 1/2" NPT hub – Stainless steel lag screws and hex nuts included

TAK-150*
Bungee strap adapter kit for tree mount junction boxes (bungee not included)

TMS-150**
Die-cast aluminum low voltage tree mount junction box with threaded 1/2" NPT hub and UV-stable quick-locking adjustable straps (in 12", 24", 36", and 48" lengths)

* Available in all of Vista's standard colors – specify color after catalog code when ordering.

**Please specify color then strap length after catalog code when ordering.
