

Concrete Mounting Kits

JBCP-150

Stainless steel concrete pour kit for in-ground lighting fixtures and junction boxes.

CGB-150

Stainless steel concrete pour kit for in-ground lighting fixtures and ballast enclosures.

Mounting Pedestals

CP-150

Commercial grade heavy-duty PVC mounting pedestal with side junction box and 1/2" grounded NPT hub on top

MP-150

3" dia. black PVC mounting pedestal with threaded 1/2" NPT hub on top

DH-150

21" PVC distribution hub with large connection terminals and multiple 25' low voltage cable runs.

Mounting Stems

AS-104*

4" aluminum stem with 1/2" NPT on both ends

AS-112*

12" aluminum stem with 1/2" NPT on both ends

AS-118*

18" aluminum stem with 1/2" NPT on both ends

AS-124*

24" aluminum stem with 1/2" NPT on both ends

AS-136*

36" aluminum stem with 1/2" NPT on both ends

CAS-104

4" copper stem with 1/2" NPT on both ends

CAS-112

12" copper stem with 1/2" NPT on both ends

CAS-118

18" copper stem with 1/2" NPT on both ends

CAS-124

24" copper stem with 1/2" NPT on both ends

CAS-136

36" copper stem with 1/2" NPT on both ends

* Available in all of Vista's standard colors – specify color after catalog code when ordering. Note: Stem may be ordered with optional color matched couplings – Add -**CI** after catalog code when ordering.

Miscellaneous

HC-16

Clip-on honeycomb louver for MR-16 lamps

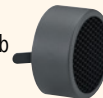

HC-20

Clip-on honeycomb louver for PAR20 lamps

HC-30

Clip-on honeycomb louver for PAR30 lamps

HC-38

Clip-on honeycomb louver for PAR38 lamps

PDK-250

Professional demo kit

PDK-250-5006

Professional LED 5000 Series demo kit

RP-150

Replacement part kit

Low voltage cable
Single circuit
